

 I genuini sapori di Puglia	PRODUCT DETAILS	
PRODUCT	TANGERINE JUICE	
	GLUTEN-FREE FOOD	
DESCRIPTION	<p>The tangerine is an acidulous fruit native to China. The tangerines have thin skin (the edible part is 74%) and are usually smaller than oranges. Agrinitti uses fresh tangerines from Palermo which have a very subtle taste and a sweet smell. For the fruit juice, Agrinitti squeezes and filters skinned tangerines and adds not much sugar so as to preserve the taste of fresh fruit. Subsequently the product is pasteurized.</p>
