
 <b>I genuini sapori di Puglia</b>	<b>PRODUCT DETAILS</b>		
<b>PRODUCT</b>	<b>PEACH JUICE</b>		
	<b>GLUTEN-FREE FOOD</b>		
<b>DESCRIPTION</b>	<p>The peach is a fruit native to China. Italy produces about 80% of the product consumed in Europe. The peach has a round shape and is one of the most sweet-smelling fruit. Its pulp is rich in vitamins and minerals. Agrinitti uses "Percochi" peaches native to Apulia. For the fruit juice, Agrinitti squeezes and filters skinned peaches and adds not much sugar so as to preserve the taste of fresh fruit. Subsequently the product is pasteurized.</p>
